INFORMATION FOR THE UAE LEGALISATION SERVICE

Before the embassy can legalise a document, they must be Notarised & Attested by the FCDO. You can supply documents with this process already completed or select the options you need in our application pack. The Notary authorisation form attached should only be completed if you require us to have your documents notarised. Please note that the legalisation of invoices must go through the Arab British Chamber of Commerce which is not covered in our service.

Processing time in the embassy is usually 10 business days but can take longer. If you require the full service to include notary & attestation, please allow an additional 2-3 weeks.

The legalisation service can only be completed in the UK for documents that were issued in the UK or Northern Ireland. Should your documents have been issued overseas, you will need to have them legalised in the issuing country. Should you still require assistance with this, please let us know as we have associates all around the world ready to assist!

For Notarisation, the solicitor will charge per set of documents but our service fee is per visit. For example, if you have 4 sets of documents (CV, medical, Police certificate & academic/training certificates), the notary will charge for 4 sets at £240.00 but our service fee would still be £60.00. This works in the same way with the FCDO attestation & embassy legalisation, with the governing charges payable per set of documents but our charge payable only once per visit. If you require a quote for documents, please email admin@visasmart.co.uk or call us on 02045139940.

When your documents have been received, we will check that they are correct before contacting you (via the email address provided) to confirm receipt and provide your invoice. If you prefer to send your cheque or postal order with your documents, you can, however, we request that no payment is made before we can check that everything is in order.

Payments can be made by PayPal, Bank Transfer, cheque or postal order. Please note that we do not begin to process your request until your payment has been made. All fees are per person.

When you receive the email to confirm when your documents have been received, it will contain your unique reference number. For all queries during your process, you must quote this reference number or we will not be able to provide information. This is to protect your security. We will only email with additional instruction or to confirm the return details for your passport which will contain your visa inside. You must check your visa on receipt & advise immediately if there are any queries.

You will only receive email updates if there are any delays.

For our terms and conditions, please see our website, www.visasmart.co.uk. By using our services, you are agreeing to those terms.

Return methods carry their own terms and conditions. It is your own responsibility to view them on the respective service sites.
